Our Mission...

Since 1988, Performance Coatings' mission has been to provide the finest quality powder coating at the fairest prices with the quickest turn-around time. In your fast-paced business environment, our goal is to provide solutions to your coating needs. We pride ourselves on building relationships with our customers and enjoy reporting that over 90% of our business comes from repeat customers and by word of mouth. This reflects our strong commitment to quality and customer service.

Experience Matters

With 21 years of powder coating business, our experienced and well-trained staff are prepared to handle your projects. We've worked on a wide variety of projects in Atlanta and around the world. From Olympic Rings in Centennial Park, airport interiors in Cincinnati, door handles in Dubai and the list goes on. We are fully equipped to handle any project you may have and we would be honored to work with you. When your projects require powder coating, contact us for quotes and prices. Phone (770) 478-2775.

Colors

Powder Coating to match your imagination...

With benefits like abrasion, chemical and impact resistance and being the most durable paint finish on the market, powder coating offers an environmentally friendly solution. With thousands of colors and textures to choose from, Performance Coatings offers an extensive in-stock color selection and custom color program. With choices from gloss to flats, smooth to textures, we have the finish to meet your needs. We also offer special applications such as:

- Teflon
- Micro Clear
- High Temperature Ceramics
- Interior Pipe Coating
